Portable fiber optic testing tool

ODM/OEM

No, it is not a flashlight

PRODUCT PARAMETERS

Product Brand	Shengwei
Product model	FB-310B
Output power	> 10mW
Output distance	≤10 km
Output wavelength	650nm
Interface type	2.5mm interface
Operating temperature	-20 ~ + 60 °C
Storage temperature	-20 ~ + 70 °C
Battery type	2 AA alkaline batteries
Appearance size	175x26x26mm
Product net weight	81g
